Letter No 999/148 dt the 1st June 1903 from the President of the District Board Shimoga Circle

Subject.

Sinking a well in the Bhima near Aurad Khadal Kaval, Chennagiri Taluk

The Bhima Aurad Khadal Kaval was given out for cultivation under Govt Prog No 502-4 RK 21.01 dt the 24th July 1902 to certain ryots of the Hyderabad State and the Bombay Presidency who have formed a Colony in the said Kaval. One of the colonists Ayyappa Gowda has got a well dug out at his cost for the use of the new settlers. The well has is reported to be revetted but the colonists are not in a position to carry out the work. The President therefore, submits for sanction an estimate for Rs 640. for revetting the well and proposes to meet the cost thereof from the Local Funds General as the well is for the benefit of the new

for the current year is as follows according to the Sanctioned budget estimate,

	Rs
Opening Balance	18,147
Receipts	87,262
Total	1,05,409
Deduct Expenditure	87,056
(5) Closing balance	18,353 4

less than the prescribed minimum by Rs 3,463

can appear to be quite an exceptional case. The Board's finances are not in a flourishing condition. The demand for a well has arisen from the establishment of a colony in pursuance of certain liberal concessions granted by Govt. There cannot in my opinion be more legitimate charge on the Local Fund General than the cost of this well. I suggest that the estimate be sanctioned & that permission be given to debit the cost to L. F. G.

To.

H. V. Nanjundayya Esquire M.A. M.L
Secretary to the Government of Mysore
General and Revenue Department

Sir,

I have the honor to state that the Bhimaneere Amrut mahal Kaval in the Channagere Taluk has been given out for cultivation to the ryots came from the Hydrabad State and Bombay Presidency with certain conditions enjoined in Government Proceedings No 502-4 (B-III) R.F. 21 01 of the 24th July 1902.

One Ayappa Gowda, a respectable ryot and settler in this new colony, &c.

has got a well dug out at his own cost for the use of the Settlers. This fact has already been brought to your notice in para 9 of my letter No 23 dated the 29th November 1902. The well now requires revetment which is beyond the mean of the resrs referred to. I think all possible Government help necessary for the encouragement of these new comers should be given, and therefore submit an estimate in duplicate amounting to Rs 640-0-0 for revetting the well, and request that Sanction of Government may kindly be obtained to it. I have also to report the well

As the well is for the benefit of the new colonists the cost may be met from Local Funds General.

I have the honor to be,

Sir,

Your most obedient Servant

W M Hammersley
